

## GUARANTEED ENERGY SAVINGS ACT

Turnkey solutions for safe, comfortable, and efficient buildings funded through an off-balance sheet Energy Savings Performance Contract.

## UTILIZE ENERGY COST SAVINGS

Redirect utility expenditures to:

- ▶ Lower project costs & guarantee savings
- ▶ Improve safety & ensure code compliance
- ▶ Extend life of major HVAC equipment
- ▶ Increase comfort & enhance learning environments
- ▶ Bundle energy solutions

## PROTECT YOUR INVESTMENTS

Ensure your assets are running at peak condition, reduce downtime, and improve the lifespan of your building's energy equipment with 24/7 support.

- ▶ Direct heating, ventilation, and air conditioning equipment
- ▶ Direct HVAC building controls & security systems
- ▶ Support services with local technicians for fast emergency response
