

Comprehensive Renewable Natural Gas Solutions

Packaged Skid Systems

Comprehensive Upgrading Solutions to RNG

Comprehensive Skid Systems and Engineering

- Pre-Treatment Processing, Including Inlet Blowers and Low-Pressure Cooling Skids
- Dehydration and Desulfurization Processing
- Compression Skids For Purification Processing From Feed Gas To Sales Gas
- Treatment Processing For Removal Of Carbon Dioxide, Volatile Organic Compound (Voc), and Non-Methane Organic Compound (Nmoc) & Siloxane
- Nitrogen Rejection, RTO Packages, And Deoxo Systems
- Customizable Control Systems

Energy Efficient

- High Methane Recovery
- High Nitrogen Removal
- Higher Turndown & Operational Flexibility

Reliable. Efficient. Optimal Performance.

Key Features

Scalable, turnkey RNG plant equipment solutions to handle and treat the most difficult applications.

Additional Equipment Solution Packages may include:

- Power Transformers
- Fluid Cooler System
- Chilled Water System
- Plant Wide Control System
- Switchgear
- Thermal Oxidizer
- Instrument Air Compressors
- Pumps

Supporting upgrading operations from design, manufacturing, and commissioning services for operators, developers, engineering, procurement, and construction (EPC) firms.

Comprehensive Renewable Natural Gas Solutions

Engineering & Design Capabilities

Stark Tech is a turnkey provider of energy applications, delivering total optimization through comprehensive technology packages and application engineering support and lifecycle services.

Design. Implementation. Commissioning Services.

Services Designed to Optimize

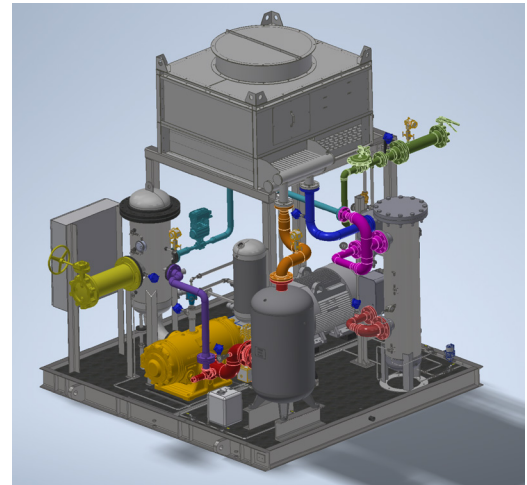

- Performance & uptime
- Energy usage with minimum consumables
- Customization for the unique site design
- Equipment optimization

Scalable Solutions.

Treatment Processes to Remove Impurities

- Hydrogen (H_2)
- Non-methane Organic Compounds (NMOC)
- Volatile Organic Compounds (VOC)
- Hydrogen Sulfide (S_2)
- Carbon Dioxide (CO_2)
- Nitrogen (N_2)
- Oxygen (O_2)

Comprehensive Solutions.

In-House Expertise

- Project Management
- Engineering
- Drafting
- Welding
- Assembly
- Testing
- Warehousing
- Shipping / Receiving
