

BOILER AND COMBUSTION SERVICES | Trusted Infrastructure Partner

Our dedicated boiler service team's focus goes beyond repairs and maintenance of boiler systems. We prioritize establishing strong relationships with our clients and local suppliers. Operating out of Rochester, New York, we specialize in commercial and industrial boiler services. Our extensive network of partnerships with suppliers and customers spans across New York State. We cater to a diverse range of industries, including healthcare, commercial/industrial, educational facilities, and factories.

Our team has the skills and capabilities to handle even the most complex repairs.

DEDICATED SERVICE STAFF

Stark Tech service technicians are factory trained with decades of field experience specializing in:

- Boilers
- Water heaters
- Burners
- Combustion
- Draft & flame safeguard controls
- Deaerators
- Condensate systems
- Fuel handling systems
- Economizers
- Heat recovery boilers
- Combustion analysis equipment
- Gas regulators
- Meters
